Quality malpractice insurance . . . and much more

Along with Zurich's coverage come numerous value-added services that will help your firm operate efficiently and manage malpractice risk effectively.

VersusLaw.com

VersusLaw.com's online legal research is thorough, convenient and free. Your firm will automatically receive access to the VersusLaw Premium Legal Research Plan — giving you convenient, 24/7 access to one of the nation's premier online legal research tools.

Your firm can log on to VersusLaw.com anytime to obtain current and archival opinions from the U.S. Supreme Court, U.S. Circuit Courts of Appeals, federal district courts (current opinions only), state appellate courts, tribal courts, foreign courts and federal district courts. Other state-related content, including studies and regulations, is also available. And advanced search capabilities help researchers find the right information fast.

Loss prevention hotline and website

Insured attorneys have immediate "hotline" access to the loss prevention experts at Hinshaw & Culbertson, one of the nation's foremost loss prevention firms. Advisors at Hinshaw & Culbertson stand ready to help insureds navigate sensitive issues and avoid professional liability claims. They can counsel your attorneys on everything from strategies to address an emerging problem to tactics for managing public perception of an event.

24/7 claims reporting

Triggering a rapid claim response

Zurich eliminates the time-consuming, frustrating claim process. We make the process swift and easy, offering 24/7 claim reporting that puts your case in the hands of Zurich's experienced lawyers' professional liability claims team. Our team is staffed exclusively with attorneys, so the person responding to your claim understands your needs and has the experience and expertise to minimize and control your loss.

Faster insurance quotes

Zurich makes it as easy as possible for even the smallest firms to secure essential malpractice coverage. A simple, straightforward application is available, as is a simplified renewal application. Fast, 48-hour turnaround is available in most instances.

Don't settle for less

Obtain high-quality malpractice insurance from a proven and financially stable carrier. And put vital services designed to reduce your firm's malpractice exposure — and boost firm productivity — readily in reach. All with Zurich's compliments.
